# The Keynote

North American Memo Newsletter of FISTS CW Club The International Morse Preservation Society

#### **Our Goals:**

- **Further the use of CW**
- **Encourage newcomers to use Morse code**
- **Engender friendships among members**

"When You've Worked A FIST, You'veWorked A Friend."

When you have a question about FISTS, go to the source for the correct answer. Posting a question on a chat room or email reflector may result in a lot of opinions, but your best bet is to ask a FISTS volunteer or look in the reference issue.

Please put the word 'FISTS' somewhere in the title of your email.

This will help the volunteer recognize that your email is important and not spam.
